

TOP ADVENTURE DESTINATIONS: Hawaii

America's gem in the Pacific Ocean, the islands of the 50th state will please you like no place else! The adventure opportunities and the destination highlights are out of this world. Are your students ready to swim with Hawaiian green sea turtles, explore the ups and downs of the Maui Mountains with ATVs, or discover the mysteries of the Ka'eleku Cavern? If your students are ready to snorkel in the crater of a volcano, fly through gigantic eucalyptus forests on ziplines, or take a helicopter ride though Valley Isle, Educational Destinations can make your Hawaii adventure trip rewarding and memorable.
