

TOP ADVENTURE DESTINATIONS:

Peru

Are your student ready to visit the largest city in the world that you can't reach by road, reach the highest tropical mountain range in the world, or enjoy the world's leading culinary destination? Peru is loaded with sunning sights and engaging attraction and is an educational destination that is full of adventure. If your students are ready to hike one of the most famous hikes in the world, explore the remains of an estimated 70,000 people in the basement of a monastery, cross the last handwoven Incan bridges, or explore the beauty of the Lost City of the Incas, Educational Destinations can make your Peru adventure trip rewarding and memorable.
