

# TOP ART DESTINATIONS: Italy

The beautiful country of Italy is home to a number of famous artworks, treasured sculptures, monumental architectural wonders, and remnants of history's greatest tales. There is so much art to embrace in the country of Italy, it would be impossible to embrace it all in one trip. Witnessing the beauty of the Sistine Chapel in Vatican City, seeing history frozen in time with Pompeii & Herculaneum, or epic structures such as the Pantheon and the Colosseum are only a fraction of this country's art.
