

TOP HISTORY DESTINATIONS:

China

China history trips will create lifelong memories for your students. Educational Destinations offers a variety of China history trip opportunities. If your students are ready to learn about the discovery of the first modern human skull, learn what two of China's most famous tourist attractions were built under the power of First Emperor Qin, or why the Terracotta Army of some 7,000 warriors, chariots and horses was built, Educational Destinations will make your China history trip rewarding and memorable.
