

TOP HISTORY DESTINATIONS: Savannah

Savannah is known as Georgia's first planned city and attracts millions of visitors who enjoy the city's historic structures, gorgeous parks, horse-drawn carriages and antebellum architecture. In 1732, the ship Anne sailed from Britain carrying 114 colonists that landed at Yamacraw Bluff where the Colony of Georgia was founded by General James Edward Oglethorpe. Before the Civil War, Savannah was known as the most picturesque city in America. Enjoy a charming Southern escape where art, period architecture, trendy boutiques and haunted stories are all set under a veil of Spanish moss. With cuisine straight from the coast and a history deeply seeded in the ground, Savannah will be an incredible Educational Destinations adventure.
