

TOP HISTORY DESTINATIONS: Switzerland

Buried by glaciers during the Ice Age, Switzerland was colonized around 15,000 years ago. Discover the pasts and struggles with the Celtic Tribes, Helvetians, Greeks and Romans. Explore the Middle Ages origins of the split between German and French languages with the Burgundians and Alamannen. Don't miss this scenic land whose medieval roots, chocolate, cheese, banking system, watches and alpine mountain areas make it one of the happiest places on earth. Topping off your trip with a rollercoaster ride down a mountain will make this an unforgettable Educational Destinations adventure.
