

# TOP HISTORY DESTINATIONS: Yellowstone

Larger than Rhode Island and Delaware combined, Yellowstone was established in 1872 as the world's first national park, continuously inviting millions upon millions of visitors per year. Yellowstone has 1,000 to 3,000 earthquakes annually, more than 300 active geysers and over 290 waterfalls. With live shows, hot springs and Grand Teton, you're on your way to an amazing Educational Destinations adventure.
