

# TOP NATURAL WONDERS DESTINATIONS: Washington State

Are your students ready to hike through Hoh Rain Forest on the Olympic Peninsula, kayak through the glacially formed clear waters of Lake Crescent in Olympic National Park, or take a break from the outdoors and playpinball at Seattle' Pinball Museum? Washington State is an educational destination that is full of natural wonders. If your students are ready to join a ranger to work as a scientist studying the forests and rivers of Ohanapechosh, go river rafting in Mt. Baker-Snoqualmie National Forest, or bouldering in Leavenworth, Educational Destinations can make your Washington State natural wonders trip rewarding and memorable.
