

TOP STEM DESTINATIONS: Atlanta

If your students are ready to sharpen their skills in science, technology and engineering with the Robotic Explorers challenge, discover NASA's space shuttle program at the Coca-Cola Space Science Center or learn about astronomy with the 30-inch Lewis H. Beck telescope at the Bradley Observatory, Educational Destinations will make your Atlanta STEM trip rewarding and memorable. After staring into the Mouth of a Tyrannosaurus Rex, your students will enjoy Atlanta as this colorful metropolis is full of activities, sights and sounds to accompany your STEM trip. There are also plenty of great opportunities for theme park enthusiasts. Your students will enjoy Six Flags Over Georgia, Six Flags White Water, or Stone Mountain Park, home to the largest bas-relief sculpture in the world. It's easy to live it up in the A-T-L. Atlanta has so much to offer your STEM students that are ready to open their minds to STEM!
