

TOP STEM DESTINATIONS: Germany/Switzerland

If your students are ready to learn about EnergieWerk Hofgut Sternen, The Black Forest Village which runs on renewable energy, do a climbing wall on the side of an actual former nuclear cooling tower at Wunderland Kalkar or participate in a hands-on activity at a Physics Education Research facility at CERN, Educational Destinations will make your Germany and Switzerland STEM trip rewarding and memorable.

EDUCATIONAL STEM OPPORTUNITIES:

- Hands-on Tasks, Puzzles, and Challenges
- Physics Workshops
- Introduction to Robotics Workshops
- Advanced Robotics Workshops
- Campus Tours
- Special Guest Presentations
- Exploring Evolution
- Climate Change Workshops
- Structural Engineering Workshop
- Electricity Workshops
- Weather Wonders
- Outdoor Explorations
- Tour Natural Reserves
- Project Weeks
- Apprentice Camps
- Sustainable Development Presentations
- Lego Workshops
- 3D Workshop
- Introduction to Tech Challenges
- Simple Machine Workshops
- Factory Tours
- Introduction to Microscopy
- CSI Fly - Flying in Criminology
- Microorganisms in the Water Drop
- Sail Through Engineering Workshops
- Design Challenges
- Animal Presentations
- Science Mysteries
- Planetarium Shows
- Totally Interactive Towers and Rooms
- Real Life Immersive Games
- Chemistry Workshops
- Physics Workshops
- Biology Labs/Workshops
- Natural Science Workshops
- People and Technology Workshops
- Technology and War Workshops
- Technology and Art Workshops
- Industrialisation Workshops
- Arcade Games at the Game Science Center
- Play Magnesia
- Experience Eye Asteroids
- Technorama – the Chamber of Miracles
- Visualizing Science Workshops
- Café & Cosmos
- Wild Weekends
- Glass Laboratories

STEM ATTRACTIONS:

- DDR Museum
- Computerspielemuseum
- Deutsches Technikmuseum
- Experimenta Das Science Center
- Universum Bremen
- BMW Headquarters
- Science Center Phaeno
- CERN Accelerating Science
- Swiss Science Center Technorama
- Game Science Center
- History of Science Museum
- Stuttgart Zoo
- UNESCO Biosphäre Entlebuch
- Prehistoric Pile Dwellings
- Einstein House
- Technische Universität München
- Max Planck Institute for Physics
- Science Center Spectrum
- Natural History Museum Berlin
- Terra Mineralia
- Klimahaus Bremerhaven 8° Ost
- Deutsches Hygiene-Museum
- Luftfahrtmuseum Wernigerode
- Deutsches Museum
- Zeiss-Planetarium
- Verkehrshaus der Schweiz
- Naturhistorisches Museum Basel
- Fossil Museum of Monte San Giorgio
- Espace des Inventions
- Swiss National Park
- Wilhelma Zoo and Botanical Gardens
- Porsche Factory
- Berlin Zoological Garden
- Campus Berlin-Buch
- Archenhold Observatory

OTHER ATTRACTIONS:

- EnergieWerk Hofgut Sternen
- Bach's Birthplace
- Kalkar Amusement Park
- Bach Museum
- Brandenburg Gate
- Castle in Neuschwanstein
- Checkpoint Charlie
- Church Holleben
- Eurosat
- Fernsehturm
- Frauenkirche
- Händel Museum
- Heidelberg Castle
- Hohenschwangau Castle
- Holocaust Memorial
- In the Footsteps of Composers Tour
- Koppern Church
- Linderhof
- Main Tower
- Mount Titlis
- Chateau de Chillon
- Jungfrauoch (The Top of Europe)
- St. Moritz's Leaning Tower
- The Matterhorn
- Interlaken
- Lucerne
- Lake Geneva
- Bern
- Lake Lugano and Ticino
- Zurich
- The Rhine Falls
- Miniatur Wunderland
- Museum Island
- Museum of Musical Instruments
- Neuschwanstein Castle
- Phantasialand Theme Park
- Reichstag Building
- Spy Museum
- St. Jakobskirche Church
- Town Hall "Römer"
- Wartburg Castle
- Weiskirche
- Cologne Cathedral
- The Black Forest
- The Rhine Valley
- Bamberg and the Bürgerstadt
- Zugspitze Massif
- The Island of Rügen
- Königssee
- Rothenburg ob der Tauber
- Sanssouci Park and Palace
- Flower Island of Lake Constance
- The Berlin Wall
- Kurfürstendamm
- Swissminiatur in Melide
- Cassiopeia Thermal Spring
- Europa-Park
- Laguna Water Park
- Mount Pilatus Rope Park
- Glacier Garden
- Altstadt
- Chapel Bridge
- Glarus
- Monte San Giorgio
- The Lavaux Vineyards
- The Lion of Lucerne
- Palais des Nations
- St. Peter's Cathedral
- Aventicum
- Augusta Raurica
- Grossmünster
- Chocolate Factory
- Topography of Terror Museum

Helping STEM teachers open minds and educate students around the world.
