

TOP STEM DESTINATIONS: Indianapolis

If your students are ready to build motorized machines, catapults and buildings out of Legos, come face to face with full-size dinosaur skeleton, or explore the work of real scientists like hydrologists, naturalists and geologists, Educational Destinations will make your Indianapolis STEM trip rewarding and memorable. The Circle City's vibrant downtown scene complete with music, art and super sports of all sorts invite you in! Known for that welcoming Hoosier hospitality, Indianapolis is also known as host to the world's largest single-day sporting event, the Indianapolis 500, the Greatest Spectacle in Racing! From the Children's Museum of Indianapolis, the world's largest of its kind, the Eiteljorg Museum and Conner Prairie, the STEM options are endless. Indianapolis has so much to offer your students that are ready to open their minds to STEM!
