

# TOP STEM DESTINATIONS: Nashville

If your students are ready for science and technology labs, classes emphasizing hands-on interactive learning experiences or want to experience the Skylase laser light show at Adventure Science Center, Educational Destinations will make your Nashville STEM trip rewarding and memorable. At Nashville Zoo at Grassmere, discover why species are at risk of becoming threatened, endangered or extinct and what you can do to help. Engage students in art, history, and botanical gardens with a field trip to Cheekwood or try to locate the queen bee at the Adventure Science Center. Along with grand museums, and engaging attractions – Nashville is an educational destination that beams with STEM opportunities. Nashville has so much to offer your students that are ready to open their minds to STEM!
