

TOP STEM DESTINATIONS: Toronto

If your students are ready to get a view into stunt action using physics in this unique S.T.E.A.M. workshop at Fast Motion Studios, witness the power of electricity with shocking demonstrations or test drive robotics, rovers and revolutionary sci-fi inspired tech at the Ontario Science Centre, Educational Destinations will make your Toronto STEM trip rewarding and memorable. Introduce your pupils to the design and engineering LEGO® challenges at the LEGOLAND® Discovery Centre or explore environmental education, conservation and research opportunities at Ripley's Aquarium. Engage in a multi-sensory experience with hands-on labs at the Royal Ontario Museum in addition to grand museums and engaging attractions. Toronto has so much to offer your students that are ready to open their minds to STEM!
